Diamond Services, Inc. began its journey as a Maid Service and has developed into a multi-dimensional organization to include Janitorial Services, Food Services, Grounds Maintenance, Industrial Cleaning and other services. Since 1994, Diamond Services, Inc. has been committed to providing quality, "second-to-none" services to its clients in the government and private industries.

While Diamond Services, Inc. remains an elite, woman-owned small business with HUBZone status and holder of GSA Supply Contract #GS21F0111W, its management staff possesses a savvy business attitude complimented by their exceptional talents in leadership and human relations.

As President and CEO, Kathy Ledford has directed and shaped the company into a dedicated, resourceful and knowledgeable entity. Her constant strive to stay ahead of the time and remain consistent with demands of the latest equipment and techniques warranted by various projects has been the key to the success of the organization.

The balance of the organization includes an experienced Operations Manager whose over 25 years of expertise as well as being a Certified Executive Housekeeper and Certified in Green Cleaning surpasses that of most companies; an experienced Human Relations Manager who is committed to ensuring that Diamond Services, Inc. keeps qualified and trained persons, and competent contract managers that assist in the bidding and contract start-up process, as well as other administrative persons.

We are a very "hands on" company who will take the time to answer your questions. We value our customers and believe that offering the best products at a fair price with integrity is essential to a good business relationship.
